

A1D2L Traffic Management Cascade for July 2011

Overnight 3 way traffic lights on A684 at junction of A1 slip roads ongoing throughout July 2011

Closure of A684 under A1 bridge will take place -

Monday 4th July to Friday 8th July 2011 each night 21:00 to 06:00
 Monday 18th July to Friday 22nd July 2011 each night 21:00 to 06:00
 Monday 25th & Tuesday 26th July 2011 each night 21:00 to 06:00
 Friday 5th August 21:00 to 06:00 Monday 8th August 2011 (24/7)

This will allow part demolition of existing A1 bridge.
 Diverted traffic will use Leases Road / New Leeming Junction / old A1.

A1 Leases to Londonderry

A1 traffic now operating in contraflow, safety controls include Speed Cameras, Temporary CCTV and Free Recovery.

Traffic will be diverted over permanent works on newly constructed Local Access Road (near Street Lane Pickhill) from 25th July 2011. This phase will also require the closure of Stapley Lane until October 2011.

Traffic on old A1 northbound between Baldersby and Gatenby is operating with single lane (northbound) until Autumn 2011. This phase will allow upgrade of old A1 into a Local Access Road.

Closure of A1 southbound between exit and entry slip roads at A61 Baldersby will be required on 29th, 30th July 2011 each night between 20:00 and 09:00. Diverted traffic will use A61 Baldersby Junction.

Closure of A1 southbound entry slip road from A61 will be required on 1st, 2nd August 2011 for resurfacing works.
